Is there a name/nickname you would like to go by at the contest?

Please describe your chili in one sentence. This will be included in the program and at your station the day of the event. You are welcome to display promotional materials for your restaurant at the table.

Contest entry guidelines:

- 1. Chili contest will officially run from noon through 2:00p.m. Participants can arrive after 11:00. We ask that you are ready 30 minutes prior as we anticipate people wanting to start sampling early.**
- 2. Participants should bring 3 gallons of chili in order to provide for enough samples. BHS will supply sample cups. Should you want samples to be served with/in something (ex: tortilla chip), that is the responsibility of the participant. Chili can be served from chafing pans; sterno will heat. No electricity will be available.**
- 3. People coming through the event will pay to sample the chili. Individuals will receive tickets to vote for their choice(s). Additional tickets can be purchased. All profits benefit Berkshire Humane Society's Woofstock event.**
- 4. Winners will be decided in both the professional (restaurant) and home chef categories. Prizes will be awarded at the completion of the Chili Contest.**
- 5. Questions can be directed to Kathy at Pretty Paws at (413) 443-0191.**

A full set of entry rules will be sent upon receipt of your entry. We look forward to sampling your chili. Good luck!
